# POWER OF 10

MISSION HAITI MEDICAL

What is the Power of 10 campaign? We're putting the FUN in FUNdraiser as a way to not only give to Mission Haiti Medical (MHM), but to take time and give thanks this season for the blessings and positive things in your life—sort of a Tensgiving if you will.

How do you do the Power of 10 campaign? It's easy. Write 10 things you're thankful for on your 10 digits. Snap a pic. Share that pic on your social media, and then donate \$10 or \$100 or some other "power of 10" at [MissionHaitiMedical.org](http://MissionHaitiMedical.org). Then encourage your friends to do the same, maybe 10 of them or 100 of them, and let's see what the Power of 10 can really do!

We've already had a great time and have been blessed seeing the things our clinic staff are thanful for! Let's see yours!

### 2015 IN REVIEW

from Board President, Mark Fulton, D.D.S.

The year 2015 saw the tenth year anniversary since the opening of the clinic in Saint Ard, Arcahaie, Haiti. As we celebrate the "Power of 10" we want to highlight 10 things that God has provided this past year through MHM supporters that have made more than a tenfold difference in many lives in Haiti. If space permitted the list of blessings would go on and on. We are so thankful to have such a giving team to work together and even more blessed to be able to serve and share the love of Christ with over 100,000 of God's people in Haiti.
